EDUCATION

Data Science

Naresh IT • Aamerpet,Hyderabad • 2024

Bachelor of computer application

University of science and technology meghalaya • Ri-bhoi • 2024

ABOUT ME

I am a dedicated and enthusiastic fresher with a strong interest in data science. Currently pursuing a course in data science, which I aim to complete by January, I am gaining hands-on experience in machine learning, statistics, data analysis, and visualization. I have a good understanding of Python, NumPy, and Pandas and have worked on several projects during internships, including web development and automation-based solutions. I am eager to apply my skills and continue learning to solve real-world problems using data-driven insights.
